

Chapter 604 – Gravel Road

Section 604.1 – Intent

An Ordinance to protect the public health, safety, welfare, and environment of Lenox Township, to preserve and maintain the protected gravel road surfaces within Lenox Township which may have been chloride or otherwise treated with dust retardants, to minimize dust, noise, odor, and traffic, and to promote access upon paved roadways to the Lenox Township Pinetree Acres Landfill site.

Section 604.2 – Definitions

Solid Waste – Garbage, rubbish, ashes, incinerator ash, incinerator residue, street cleanings, municipal and industrial sludge, solid commercial and solid industrial waste, and animal waste, but does not include human body waste, liquid or other waste regulated by statute, ferrous or non-ferrous products, and slag and slag products directed to a slag processor or to a re-user of slag or slag products.

Solid Waste Transporting Unit – A container that may be an integral part of a truck or other piece of equipment used for the transportation of solid waste.

Section 604.3 – Prohibitions

All people driving motor vehicles that contain a solid waste transporting unit shall only enter and exit the Lenox Township / Pine Tree Acres Landfill site located at 29 Mile Road, from the site's entrance to 29 Mile Road west of that entrance and it shall be and it is hereby declared unlawful for any person to operate such a vehicle upon that part of 29 Mile Road to the east of the Lenox / Pinetree Acres Landfill site entrance on 29 Mile Road or upon County Line Road within Lenox Township, Michigan.

Section 604.4 – Penalty

Any violation of this Ordinance shall be subject to a fine of not more than five hundred (\$500.00) dollars and/or not more than ninety (90) days in jail for each such offense.
